Tinkermen Lotto p(a) Report

"We aim for you to win"

Changing How People Around the World View & Play The Lottery

Join Our Mission

Become an integral part of our journey as John, Kathy, kevin, and David attempt to help more people win the lottery throughout the world.

Bringing New Revenue Stream For Retailers

Providing New Digital Advertising Kiosk Platform For Companies Worldwide

That’s a perfect fit for Integrating into many types of business locations like Truck Stops & Car Washes

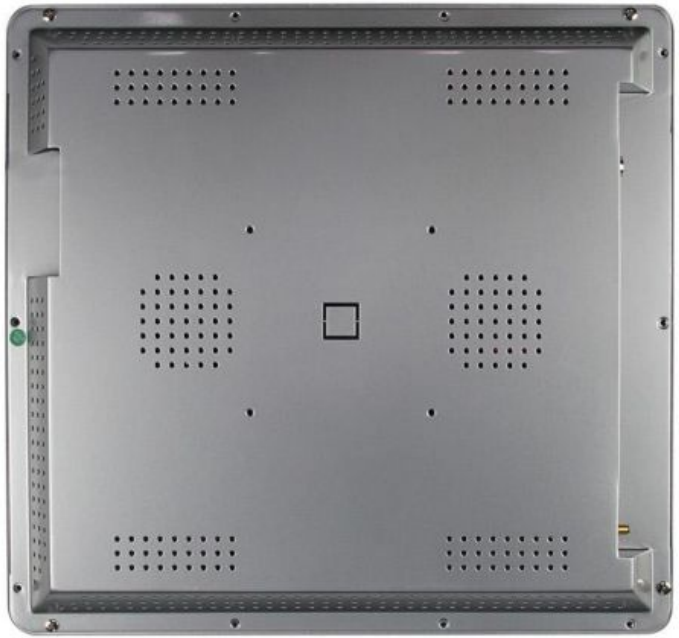
Our platform helps to maintain customer retention within business locations by providing additional services

It’s Always Free To The Public...

Our easy to use touchscreen kiosk device allows the public to quickly use our successful Lotto Predictions and Number Generation Programs at no cost.

When no one is using the device we run short service based company video advertisements that allow us to generate revenue.

Our 15" Kiosk Devices are Rugged & Secure with an Enclosed Tamperproof Backplane



Our goal is simply to help more people win the lotto!

Using the latest digital technology coupled with innovative programming and mathematics bringing unparalleled lottery prediction and number generation to help players win the lottery on purpose.
